

1 Neutral Ways of prompting further discussion in facilitated groups

Restate the question

- Let me just remind you of the question again(re-state the question)
- The question we are working on is.....(re-state the question)
- Take a moment to reread the question and see if it triggers something

Inviting others to add ideas/comments

- What else can we add to the list?
- Is anything missing?
- Does this trigger any other thoughts?
- Other thoughts?
- Anything else anyone wants to add?
- Can we add some more detail to this?
- Anyone got anything else they would like to add?
- Is there any aspect of this that we haven't got yet

Asking the person so say more

- Can you tell me more about that?
- Could you explain that in a bit more detail?
- Can you expand on that a bit?
- Can you give an example?
